Helpful Tips for an Easier Move

Valuable strategies for moving your stuff, your kids, your pets and yourself to your new home

Do your homework Before you hire a moving company, the United States Department of Transportation recommends the following:

- 
- Get written estimates from at least three companies. Ask about the conditions of each estimate (for example, whether the final cost is guaranteed not to exceed the estimate by a certain amount).
 - Ask for each company's motor carrier number and call USDOT at 202-358-7000 to verify that they are properly registered and insured.
 - Ask your moving company for a copy of *Your Mover's Rights and Responsibilities*.
 - Visit the USDOT Web site: www.fmcsa.dot.gov/factsfigs/moving.htm
United States Department of Transportation

On moving day

- 
- Accompany the driver as he or she inspects your items and fills out your inventory. Make sure everything is on the truck before signing any releases.
 - At your new home, compare the condition of your goods against the inventory and check for any missing items.

Involve your kids

- Have your children pack and label a few boxes of their own, so they know their favorite stuff won't be left behind.
- Help your children learn about their new town. Visit your local library or bookstore to find books about the area you're moving to.

How can you make moving fun for kids?

Go to www.usps.com/moversnet for ideas.

Take care of your pet

- 
- Pack a "pet moving kit" with food, medications, medical records and your vet's phone number.
 - Be sure your cat or dog is wearing an ID tag, in case he or she gets loose.
 - If you're traveling a long distance, check ahead to see that your flights, accommodations and so on are pet friendly.

Get tips on moving dogs, fish, even snakes at www.usps.com/moversnet

How to stay connected when you move If possible, call your new local phone company a month before you move and ask for your new number. Here are some local phone service options.*

- 
- For moves to AL, FL, GA, KY, LA, MS, NC, SC and TN: Call BellSouth at 1-877-340-7576.
 - For moves to AZ, CO, IA, ID, MN, MT, ND, NE, NM, OR, SD, UT, WA and WY: Call directory assistance for the Qwest office in your new area.
 - For moves to DC, DE, MA, MD, ME, NH, NJ, NY, PA, RI, VA, VT and WV: Call directory assistance for the Verizon office in your new area.
 - For moves to other states, call directory assistance for the phone numbers of local phone companies in your new area. Remember to check on local cellular companies, too.

* Service providers may be different in some areas.

How to stay connected with long distance when you move

- Once you know your new phone number, the next step is choosing a long distance carrier. Your local phone company will not transfer your present long distance savings plan and other services (like calling cards) automatically.
- You'll need to call the different carriers yourself to ensure the best rates, calling and savings plans, and uninterrupted service. This is a good opportunity to find out which carriers offer the best rates for your new location and long-distance needs.
- If you switch long-distance carriers, you may be charged a small, one-time fee—so be sure to ask your new carrier if they'll reimburse you or credit your new account.
